WEDDINGS AT *The* RIVER HOUSE

Sitting loch side at the foot of the historic Stirling Castle,
The River House is based on the design of a traditional Scottish Crannog,
the restaurant and private suite provides a stunning setting for any wedding.

....

Our dedicated events team are on hand to help coordinate weddings that
break away from the norm and turn your vision into reality.

OUR ROOMS

We can cater for intimate wedding dinners in our Lochan Suite which acts as the perfect setting for a small gathering. Alternatively, the River House suite can host full exclusive receptions for up to 170 guests. What makes the River House so special is our variety of local and seasonal produce. Our expert chefs work tirelessly to create quality dishes using fresh local ingredients.

.....

Our dedicated team know how important service is and we are proud in the knowledge that our cuisine and service is second to none. Our staff will ensure your wedding will be one your guests don't forget, for all the right reasons.
